Happy Mother's Day!

Notes from Nancy...

Hello Again Everyone,

Now that taxes are done and the weather is warming up, it's time to look to new projects! Time to sign up for a few classes and learn some new tricks! Our May-June classes are now available on our website, so let's get our calendars out and do some planning!

We have some great new teachers in addition to our wonderful regulars with awesome ideas that will knock your socks off. Dee Christopher is a fantastic talent with great ideas and will show you how to do "Rose Garden" from Alex Anderson's book where her quilt is featured.

Carole Juergenson will be here with "Transitions" to bring out all those batiks you've been storing and "Eccentric Dots" will brighten any child's world. Jill Schumacher, the "Queen of Machine Quilting" will be returning for another Beginning Machine Quilting Class in July.

Do you have a sweatshirt sitting around that you want to turn into a stunning jacket? Ginny Over from Oakdale will show you a technique to create a raw edge patchwork jacket. A class not to miss!

Another must have will be Lynn Wilder from Livermore. If you haven't been in to see the stunning quilt hanging in the shop you just must! It's called "The House on Edgewood Lane" and she will be teaching this in a two-part class with kits available...yet another must have class. This was a sellout at In-between Stitches in Livermore.

Don't forget we always have open sewing on Mondays. If you have a project or problems with you project, we are always here to help. We have the large classroom in the back to work and large tables to layout your quilts to pin. Call in advance to reserve space as this does fill up quickly.

Thanks again for your continued support and Happy Quilting!

Nancy

American Patchwork & Quilting ONE MILLION PILLOWCASE CHALLENGE

Make a pillowcase, make a difference. Join quilters from around the nation today by making a pillowcase and donating it to charity... [LEARN MORE](#)

...We're on our way to meeting our goal!

Bearly Quilting has teamed up with American Patchwork & Quilting in challenging all quilters nationwide to help donate 1 million pillowcases to help those in need. Locally, we will be donating these pillowcases to the Women's Cancer Center in Sonora, Foster Children of California in Angels Camp, and the Center for a Non-Violent Community of Tuolumne County. We will also send pillowcases to our brave troops currently serving in Afghanistan and Iraq...God bless them!

This will be a year-long program with fun events happening throughout the year at the store. To help keep you encouraged, we will keep a tote board posted in the shop to show how many pillowcases we have made to date. We are also displaying your pillowcases (and post your name on it if you choose) on our showroom floor for all to see. Let's show everyone that Quilters Care!

...and as an added incentive, we will hold our own in-store raffle for those who contribute to this great program. A special drawing will be held at the end of each month with the winner receiving a \$20 gift certificate good for any in-store purchase at *Bearly Quilting*. You get 1 ticket for each pillowcase donated...sew, the more you donate, the better your chances are at winning!

Congratulations to our monthly raffle winners...

Machine Embroidery Club:

This club is geared to just having fun! There is no supply list, nothing to buy, no pattern to follow, and no teacher to listen to. Just bring your embroidery machine, necessary tools, gadgets, and whatnots to create the day away with friends. The group usually meets on the first Monday of every month from 10:30-2:30pm (*call or check our calendar for any changes to the schedule*). \$5 fee each month.

Wild Rose Block-of-the-Month ...*designed by: Marti Michell*

Marti has really outdone herself this time! Classically simple, here her lovely old fashioned roses meet cherry blossoms and charming foliage for a collection that's homey yet elegant - and just downright pretty! Use the white colorway for a subtle, light and airy look, or choose black for a fantastic punch of drama. Lots of mini florals, plus coordinates from 'Wild Rose Basics' complete the grouping for Marti's gorgeous new Block-of-the-Month, 'American Beauty', which she designed especially for this collection. Choose from finishing with Black rose setting triangles and borders or white rose setting triangles and borders. Finished size is 84" x 104". This class is intended for the intermediate level quilter and above.

Classes will be held on the 3rd Wednesday or the 3rd Saturday of the month starting in January.

Cost is \$22.00 per month for pattern and fabric.

"A Vintage Christmas" Block-of-the-Month:

Decorate your home in vintage style with "A Vintage Christmas". The applique is fun and the look is soft and vintage. Hang "A Vintage Christmas" on your wall and fill the room with glitter houses, vintage sheep, and vintage ornaments for the perfect vintage look! The finished quilt measures 55" x 53".

This is a 10-month program with classes usually held on the 4th Monday of each month starting in February. This class is intended for the intermediate level quilter and above.

Cost is \$35 for month 1 and \$25 per month for months 2-10.

"Sunflower Hill" Block-of-the-Month:

"Sunflower Hill" is Country Charm at its best! The country village of "Sunflower Hill" has five Sunflower-themed Houses, Sunflower and Crow applique blocks and a Picket Fence border. The quilt is machine pieced with fusible applique details. The quilt measures 70" x 70" finished. This will be a 6-month program with classes held on the 4th Saturday of the month starting in April.

One-time Membership Fee: \$12 (including accessory packet)

Monthly Fee: Blocks 1-5 \$22 Block 6 \$40

Sunday, July 25th from 11-4pm (\$20 plus pattern).

Transitions: *...with Carole Juergenson*

This contemporary quilt design is a great way to use your favorite batiks or traditional blender fabrics in a way to show off color "transitions". Using the strip-piece technique and a commercial pattern, we will explore the on-point setting and color.

Cost: \$45 Class: Saturday, May 1st from 10-4pm

Thrifty Stars: *...with Chris Zeterberg*

Now here's a quilt that's easy on the eye's. It may take a little while to make, but it's well worth the effort. By the time you get finished with the quilt you'll have the biggest smile on your face, cause it's just that pretty. With the right color combinations, this might just be the prettiest quilt you'll own.

Cost: \$25 Class: Friday, May 7th from 10:30-4:30pm

Eccentric Dots: ...with Carole Juergenson

Dots are in and this quilt is a fun way to show them off. The "open boxes" are Y-seams made easy and the pieced border is fun and quick. If dots are not your thing, other fabric will work just as well and create a new look.

Cost: \$48 Class: Saturday, June 5th from 10:30-4pm

Basket Bouquet: ...with Dee Christopher

This is a fun and enjoyable 2-day workshop for learning some new techniques. This quilt provides some wonderful design options. I chose a feminine blend of fabrics, but it is equally beautiful in brights, civil war, or batiks. This quilt lends itself beautifully to a scrappy mix or changes as you please. Cost: \$60

Session #1: Sat, June 12th 10:30-4:30pm Session #2: Sun, June 13th 10:30-4:30pm

House on Edgewood Lane: ...with Lynn Wilder

Take a step back to simpler times of the 1950's and make a quilt with fond memories of your first home (some of you won't be stepping back as far as others!). This quilt will make a wonderful gift for the first time home buyer. The quilt is very "scalable" and fun to make. The quilt contains only one block...how simple is that? Cost: \$50

Classes: Session #1: Sun, June 27th 10:30-4pm Session #2: Sat, July 10th 10:30-4pm

Sweatshirt Fun: ...with Ginny Over

Turn a sweatshirt into a cozy jacket. Learn to sew and shrink, a raw edge patchwork jacket with no preshrinking necessary. The jacket will be washed and dried upon completion to give a wonderful wrinkled and frayed look. Complete the jacket in 2 sessions with homework in between. Cost: \$35

Classes: Session #1: Sun, July 11th 10:30-4pm Session #2: Sun, July 18th 10:30-4pm
