*Happy Thanksgiving!*  
From our family to yours.

Hello Again Everyone,

Where to start...we have been sew busy whipping up new shop samples for all the new fabric lines that have been arriving! Come in and see for yourself, but here are just a few examples: "Sew and Sew" from Clothworks; "A Quilter's Home" from Southseas; "Daily Grind" from Quilting Treasures; and 4 new Stonehenge "Sunshine Cottage" panels that are a must have!

Also, come by and see all the new changes to the shop. We have expanded and rearranged the sewing area and have relocated the Batiks. We have also brought in the new 6-needle Baby Lock "Endurance". This is a great embroidery machine...whether you want to start a small business at home or just have fun for yourself doing some great projects. Stop in and check out all of the fantastic samples on display that Jean, our newest employee, has made on her 10-needle.

With rearranging the store and the addition of new fabric and machines, we are discontinuing our entire line of fleece. We have discounted it 40% until it is gone. Also, all Halloween fabric is on sale 50% until the end of the October.

We are making great plans for our 5<sup>th</sup> Anniversary Sale and Celebration starting on Black Friday. There will be machine demo's, give-aways, several drawings throughout the entire weekend, and a Baby Lock sewing machine will be given away as the special grand prize. Don't miss out on all the fun and excitement.

As Always, Happy Quilting

*Nancy*

*...introducing Jean Boroff*

Jean is the newest member of the Bearly Quilting family. She is a retired high school Home Economics teacher from Southern California. Jean moved to Tuolumne County about 13 years ago. Although she has been sewing since she was a young girl, she started quilting about 1976. When not working at Bearly Quilting, Jean enjoys sewing and reading. Please welcome Jean the next time you're in the store.

Most of the quilt is made with Fat Quarters and scrap fabrics. This is a 12-month program.

The easy pieced Star Border completes this folk art look. The quilt measures 72" x 62" finished size. This is a 6-month program with 6 patterns to complete the quilt.

Cost: \$25.00 per month for 6 months.

Classes: *Check with the shop for exact start date and class times in February*
