Labor Day!

Hello Again Everyone,

I can't believe how this year has flown by. Debbi and I are getting ready to go back to St. Louis next week for Babylock Tech to learn all about the new sewing machines and sergers. We've had a sneak preview of the new and exciting things that are coming out...and we can't wait to get there, find out more of the details, and bring them back to share with you.

We have several great new lines of fabrics that have arrived. "Persia" by P&B, "Flurry" by Moda (with a great pattern to make a cute Christmas wall hanging), "Metropolis" by Marcus Brothers, "Grace" by Moda, "Butterfly Kisses" by Northcott, "Jolly Snowman" by Clothworks, "Holiday Stonehenge" by Northcott and "Hairraising" by Quilting Treasures, and lots of "Tonga Strips" from Timeless Treasures in many yummy colors. These are just a few of the new lines...we have many more coming in by the week! Come in and check out the new lines as they come and go. Once they go...they are gone!

We have some new classes that are coming up. Jill Schumacher will be returning with her Intermediate Machine Quilting Class and also another Beginning Machine Quilting Class for those that missed her first one. Also, we are adding the Dresden Plate Placemat Class that so many of you have asked for. Samples have been posted in the back classroom and were featured in the "Simple Quilts & Sewing" Magazine this year. Lastly, Cheryl will be teaching a binding class for those of you that need help getting your quilts finished up.

And finally, don't miss out on our sales coming up. See inside for details. We have lots of great things happening for the rest of this year that you won't want to miss.

As Always, Happy Quilting

Nancy
